ISSN: 0972-8392

OCLC Number: 637645018

The Indian Cartographer a Journal published by Indian National Cartographic Association (Rm No.234 Survey of India-Uppal,Hyderabad 500039 Telengana India) , an inter-disciplinary institution is focused on research and development in the field of cartography and geo-spatial science.One of India's foremost journals in cartography since its inception in 1979, it is today a multifaceted and highly composite peer reviewed journal, publishing research papers from several disciplines related with cartography. The journal contains original, timely, and innovative articles that advance knowledge in all facets of the discipline. Indian Cartographer is devoted to the cause of cartography as a graphic mode of communication, with the following aims:

- To promote research in the field of cartography
- To publish Research Papers for the advancement of cartography.
- To strengthen a sense of professional excellence among cartographers.

The journal now invites Research papers/Articles from all researchers, academia,professionals and those in allied fields for its forthcoming issue to be published in December 2022.
